

MATHS MOMENTS

Friday 17th October will be the tenth year that Liverpool schools have taken part in the Liverpool Maths Party. This year we want organisations and businesses to join us in showing everyone how important maths skills are to our careers and our lives.

How to take part:

- Spot a Maths Moment
- Capture it in a photo or short video
- Share it during Liverpool Maths Party week in October with #LiverpoolCounts and #MathsMoments
- Share on our Maths Moment Online Bank

**SHARE YOUR
MATHS MOMENT**
